Subject: Necessary conditions to be fulfilled by the school based on both the online letters which we received dated on 23rd & 24th February, 2016

Dear Sir/Ma'am,

As per the letter that we received online on 23rd & 24th February 2016, we are instructed to revise on certain points for which we have worked out to accomplish as per the norms and bye-laws of CBSE.

1. Payment for the extension of affiliation and late fee: According to the online generation of payment in E-affiliation form, we have made a swift transfer of USD 2800, i.e. INRs 1,90,750. The copy of the swift transfer is enclosed in the file.
2. Student-Teacher Ratio: The revised sheet on students-teachers ratio is prepared and enclosed herewith the file.
3. Enrollment of Class XI & XII: Due to political situation and the letter received from the District Education Office (DEO), we were not able to upgrade our school into Senior Secondary Level. But now we have clearly got a legal provision therefore from the coming session, we will be bringing Management wing into function. The official letter received from the DEO is also enclosed herewith the file.
4. Creating reserved fund: The School has already created a reserved fund in Nabil Bank Limited with a total amount of INRs 1,00,000 according to CBSE bye-laws under the name; The Chandbagh School- CBSE Reserved Fund. The copy of reserved fund is also enclosed herewith the file.
5. Salary Scale: As per the government rule in Nepal, the school has been giving the prescribed salary to the staffs. Furthermore, in the coming session, the school will revise the salary and assure to send a copy of it to the CBSE office.
6. School running is two sites: Due to massive earthquake in the beginning of the session, one building with 10 rooms were not fit enough to run the classes, therefore a new site with a distance of around 50 meters has been rented for the time being. Right after the repair work gets over, we will come back to the same place.

Thanking You.
Sincerely Yours

.....
