AN OVERVIEW OF CAMPION A – LEVELS

CAMPION A LEVELS stands as one of Nepal's premier educational institutions, offering the globally recognized Cambridge Assessment International Education (CAIE), GCE A Levels program under the University of Cambridge, UK. Renowned for its academic excellence, the institution has been shaping futures since 2005, proudly completing 20 years of inspiring, empowering, and guiding young learners toward international standards of education as a British council partner school.

Initially located in the vibrant heart of Lalitpur, CAMPION A LEVELS has now expanded its horizons by relocating to Jorpati, Kathmandu, within the modern and well-facilitated premises of The Chandbagh School. This new setting provides students with an enhanced academic atmosphere, advanced learning infrastructure, and a more peaceful environment favorable to focused study.

Over the decades, CAMPION A LEVELS has built a strong reputation for offering a comprehensive, rigorous, and student-centered A Levels experience. The institution emphasizes critical thinking, analytical skills, and holistic growth which are the core qualities valued by top universities worldwide. With a diverse community of learners from various backgrounds, it continues to foster a culture of academic curiosity, leadership, and global-mindedness.

Today, CAMPION A LEVELS remains committed to delivering one of the world's most respected pre-university qualifications while preparing students to excel in their higher studies and future careers, both in Nepal and abroad.

VISION

To create an empowered and globally connected learning community where students are inspired to explore their full potential, develop strong moral values, and grow into creative, confident, and lifelong learners. We envision an environment that nurtures curiosity, encourages critical thinking, and prepares students to become responsible citizens who contribute positively to society.

MISSION

Our mission is to provide a holistic and enriching educational experience that supports every learner's intellectual, emotional, and physical development. We aim to:

- Provide high-quality education that equips students with essential knowledge, skills, and attitudes needed for success in an ever-changing world.
- Create an interactive, innovative, and student-friendly learning environment where teaching methods are dynamic, engaging, and tailored to the diverse needs and interests of learners.
- Offer a balanced blend of literary, cultural, and co-curricular activities to foster creativity, self-expression, and appreciation for diverse traditions and perspectives.
- Enhance sports and physical education programs to promote teamwork, resilience, discipline, and overall well-being among students.

MESSAGE FROM THE ACADEMIC DIRECTOR (CG|EDUCATION)

Bhushan Chandra Sen Gurung

Academic Director
CG|EDUCATION

Welcome to Campion A-Levels to The Chandbagh School!!

On behalf of the School Management, I warmly welcome you to the GCE Cambridge International A-Levels at Campion, operating under The Chandbagh School—one of the country's prestigious educational institutions. Campion A Levels has recently expanded its horizons to the serene and secluded area of Jorpati, Gokarneshwor Municipality, providing an ideal environment for focused academic engagement. The campus is equipped with modern infrastructure, including digitally enabled classrooms, futsal and basketball

courts, a dining hall, a well-stocked library, customized science laboratories, and seminar halls. In short, Campion A Levels offers facilities that strongly support holistic learning and development.

The Cambridge International A-Levels program is among the world's most respected subject-based qualifications, recognized by leading universities, including Ivy League institutions. This two-year program offers flexibility in subject combinations as well as examination scheduling. The A Levels curriculum is highly regarded for its research-based approach, emphasis on critical thinking, and encouragement of creativity. Learners are guided to work independently, apply imagination, and rely on evidence-based reasoning. The program aims to develop logical and in-depth thinkers, pragmatic problem solvers, effective communicators, and self-motivated learners, qualities that give A Levels a distinct advantage over other international curricula.

The Chandbagh School provides all the essential elements to fulfil the core vision of A Levels. Guided by its motto, "*In Pursuit of Excellence*," the school is committed to grooming and nurturing learners who are physically healthy, academically sound, emotionally mature, and spiritually aware. These foundations align closely with the philosophy of the A Levels program. The school firmly believes in preparing students to face and navigate the real-life challenges of the 21st century through a balanced focus on academics, ECA/CCA, discipline, values, and beliefs that are delivered by experienced and dedicated educators.

With this in mind, I once again welcome you to Campion A Levels at The Chandbagh School. We are confident that, through progressive educational practices, we will make a meaningful difference in your academic journey.

MESSAGE FROM THE PROGRAM HEAD

Yogesh Raj Silwal

Program Head
Cambridge International A Levels
Campion A - Levels

Dear students and parents, A warm Greetings!!

It is my pleasure to welcome you to the Campion A-Levels, a transformative journey designed to prepare students for academic excellence and global opportunities. Dear students, you are now at a crucial stage of your educational journey. I want to assure you that at this stage, we aim to provide an environment where intellectual curiosity is fostered, critical thinking is sharpened, and personal growth is encouraged following the values that lie at the core of the A-Levels program.

The A-Levels curriculum demands (3d's) dedication, discipline, and desire to learn with the support of teachers. Our faculty is one of our great prides who have been engaged in various A- Levels colleges since many years and are committed to guide students through this challenge with expertise, passion, and unwavering support. We pride ourselves on offering engaging lessons through various resource, personalized academic guidance, and a learning atmosphere that encourages students to question, explore, and excel.

Beyond academics, our program emphasizes a balanced and holistic development. Students are encouraged to participate in a wide range of co-curricular and extra-curricular activities, inter and intra college contests, leadership opportunities, community service, national and international seminars and skill-building events. These experiences help shape confident, responsible, and seasoned individuals ready to contribute meaningfully to society.

As the A-Levels Program Head, I take great pride in seeing our students grow into independent thinkers and lifelong learners. I invite you to become part of our vibrant learning community where we open the door of challenges for you to exceed your own expectations and prepares you for success in universities and careers around the world.

Dear students, as a new academic session commences, we look forward to meeting and supporting you in every step as you embark on this exciting academic journey of Cambridge at CAMPION A – LEVELS.

“All the very best for your continued success.”

5. Learning with lasting impact
6. Flexible and meaningful assessments for every student
7. Inclusive and supportive
8. A global learning community
9. Education for sustainable future
10. Ready for the world

WHY CAMPION A – Levels?

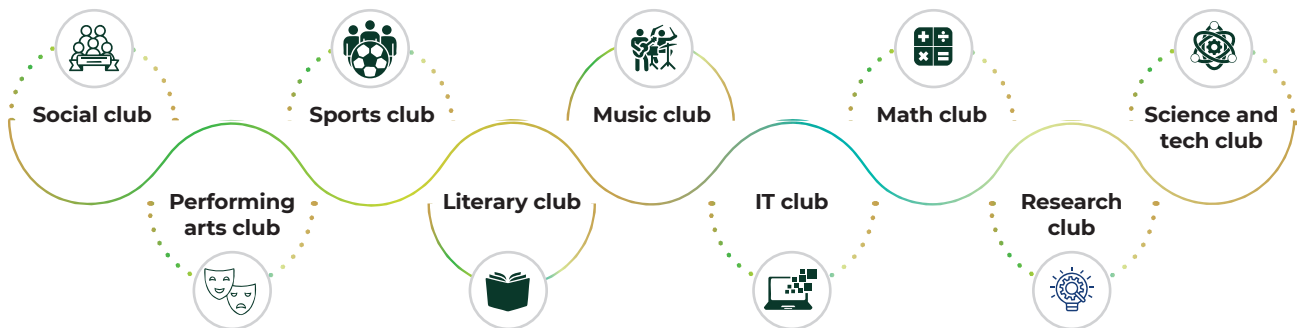

- State of the Art facilities with spacious classrooms, futsal ground, basketball court, science lab, library, IT enabled classroom, computer lab and many more.
- Digital learning with multi-media classrooms, campion App and integrated software which enables interactive teaching learning in the class.
- Seasoned faculty with over a decade of experience teaching and supporting A Levels students in various renowned A-Levels institutions across the Kathmandu Valley.
- Co-scholastics offering a wide range of extra-curricular and co-curricular activities, including music, art, dance, drama, and sports. Students also have opportunities to participate in events such as student exchanges, industrial visits, career guidance sessions, educational tours, and international recreational trips.
- Career guidance to the students who often find themselves in a dilemma – which course or career path to choose. We have expert guidance counselor in our own campus who make sure to offer proper and specific guidelines that allows the students to pick the right course and career path.
- Tutorial session prioritizing academic performance. We ensure that every student gets the best out of the subjects that they study. For the students who are weak academically, we conduct intense tutorial sessions, direct towards helping them cope up with the demands of their subjects.
- Holistic growth by influencing students to explore their innate potential and inspiring them to pursue career in the same field, whether it is sports, music, arts or some other area.

ECA AND CCA CLUBS

At Champion, we believe in the potential and leadership abilities of our students beyond their academic courses. To help them grow as effective leaders and active contributors, we offer opportunities to participate in various student clubs.

Each club consists of six members, including a President, Vice-President, Treasurer, and three Executive Members. All clubs operate under the ECA/CCA Department and are accountable to the ECA Coordinator. Every club is required to organize at least two events each year.

1. Student council

At Campion, students are encouraged to form a Student Council comprising a President, Vice-President, Treasurer, Secretary, and five General Members. This council is established to help foster a warm, respectful, and disciplined learning environment on campus, promoting strong relationships among teachers, students, and the administration.

2. Students' counseling services

The college has established a psycho-social counseling station on campus, staffed with a certified counselor, to ensure that students receive the psychological and emotional support they need. Furthermore, students are provided with career counseling by an expert guidance counselor to assist them in selecting suitable universities and courses.

3. Awards

To encourage students to excel in their endeavors, the following awards are presented both terminally and annually to deserving students. These recognitions also serve as valuable credentials for their applications to universities abroad.

- Term-wise best attendance (Certificate and Medal)
- Term-wise best Discipline (Certificate and Gift package)
- Term-wise best academic performance (Certificate, Medal and Gift package)
- Yearly best student award (Certificate, Trophy and Gift package)

“

NISTHA SHRESTHA – Class of 2019
Nepal Topper (Economics – November 2018)

Campion A – Levels deserves all the credit for setting me on the academic path and the overall grooming that I am on at the moment. My two biggest skills that I can boast of – Public speaking and Leadership are two gifts that I got from Campion.

“

SAMYUKTA AMATYA – Class of 2021
National Economics Olympiad – Business Case Analysis: Gold Medal
Economics Olympiad: Silver Medal

It was an immense fortune to be a part of Campion A – Levels program where I got the opportunity to not only enhance my knowledge but also sharpen my leadership and communication ability. I am very grateful to the faculty members who were always supportive and available when in need. Special regards to my economics teacher for greatly shaping my analytical skills. Campion not only prioritizes one's academics but equally focuses on extracurricular activities; where, one is able to groom themselves in the finest way possible. Pursuing my studies here has been one of the best decisions I have ever made and I am truly proud to be a CAMPIONITE.

“

SUMAN THAPA MAGAR – Class of 2021
